DELIVERING QUALITY WORLDWIDE

DANGEROUS GOODS

SHIPPING DANGEROUS GOODS IS A HAZARDOUS BUSINESS

It is important to know which class your goods are and what quantity limits apply

What are dangerous goods?

Any substance or item which could harm if not handled correctly, and pose a risk to health, safety or the environment

Who is responsible for declaring dangerous goods?

The shipper; fines will be incurred for mislabelling or non declaration of dangerous goods

What you need to do

Notify us of Hazardous Cargo at the point of quotation / booking

Provide us with the DGN (Dangerous Goods Note) and MSDS (Material Safety Data Sheet)

The DGN must include the following:

Hazardous Class

Packing Group

UN Number

24 Hour Emergency Contact Number

*Different Rules apply
depending on your
Mode of Transport*

Please contact us for more advice

T +44 (0) 1924 423 200
